SIR,

Subject: Ration census in Bangalore City - Executive staff -

With reference to Government order No.SD.1984/A.88-46-2 dated 22nd August 1946 sanctioning the conducting of a ration census in Bangalore City and the appointment of the necessary executive and ministerial staff for the purpose as per statement enclosed with the order at a total cost of Rs.41,820/- , I have the honour to state that the Ration Census Officer has sent up proposals to me requesting that for reasons stated by him (copy of letter enclosed) it is very necessary to continue the executive staff for one more month till the end of October.1946. The Government order above sanctions the executive staff for two months only. But the Ration Census Officer states that in addition to the tabulation of information obtained during ration census, it is of paramount importance that the results of the same should immediately be incorporated in the ration cards in force and their counterfoils. The ration cards at present in force in the City were issued with effect from 1st of this month and the time for obtaining the new cards by the holders have been given upto 30th September. Therefore all the cards and counterfoils would not be available for incorporating the changes before that date. In addition to the modification of the cards the executive staff have also to attend to numerous petitions from the residents of the City complaining of non-enumeration for some reason and to dispose of the same. I agree with the Ration Census Officer that it is very necessary to continue the executive staff for one more month, i.e., till the end of October 1946, as otherwise it would not be possible to effectively utilise the results of the ration census for the purpose for which it was conducted.

2. The proposal does not involve any extra expenditure. All the executive staff sanctioned was not appointed simultaneously on such dates as would cover the period of two months sanctioned. For want of suitable hands and also for want of timely relief of the appointed candidates from the different offices, many of the Inspectors and Assistant Inspectors and even the Assistant Rationing Officers were actually appointed at a much later date and several of them have worked only for a period of a month and a half. There is therefore a saving in expenditure in this regard.

3. Secondly the Ration Census Officer reports that he can meet any extra expenditure involved by reducing the expenditure on the nonrecurring side.

4. Under the above circumstances, I request that sanction of Government for the continuance of the temporary executive staff appointed for the Bangalore City Ration Census for one more month till the end of October.1946. In view of the urgency of the matter, I have in anticipation of sanction permitted the Ration Census Officer to continue the staff and I request that my action may kindly be approved.

I have the honour to be,

S i r,

Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.

Copy of letter No.R.C.458/46 dated the 27th September,1946 from the Chief Ration Census Officer, Bangalore City, to the Director of Food Supplies in Mysore, Bangalore.

Subject:- Temporary executive staff in connection with the Ration Census in Bangalore City.

---

1) Adverting to Government Order No.SD.1984-87/A.88-46-2 dated the 22nd August,1946, sanctioning certain temporary executive, ministerial and menial staff in connection with the Ration Census in Banga-lore City, I have the honour to state that the sanction for the executive staff expires on the 30th September 1946, in terms of the note appended against the executive staff in the statement annexed to the Government Order. It will be seen from the order that the total expenditure sanctioned provides for the executive staff for a period of 2 months; but the modification suggested in the note reduces the sanction of the executive staff to a period of only 1 1/2 months, as the executive staff were appointed one month prior to the date of the Ration Census in the City. In this connection, I beg to point out that the period prior to the Ration Census was devoted to all the preliminary arrangements connected with the Ration Census like mapping of areas numbering of houses and dividing of areas into convenient groups for purposes of enumeration during Census. The physical check on the 15th September,1946 has shown reduction in the Ration Card population in the City by approximately 50,000. In addition to the tabulation of information obtained during Ration Census, it is of paramount importance that this reduction should be immediately incorporated in the Ration Cards and their counterfoils. The present ration cards were issued only with effect from 1st Septr., 1946 and the Rationing Officer in his letter No.E.1.69/46-47 dated 25th September, 1946, states that the last date for obtaining Ration Cards by Ration Card holders has been notified as 30th September 1946 and therefore all the cards and counterfoils would not be ready for incorporation of these corrections before 30th September 1946.

2) In the circumstances, the present executive staff should be continued for atleast a period not less than a month to

attend to this work, ~~xhexexxxxxx~~ which should be done under very close supervision. In addition to this work, the executive staff have to attend ~~x~~ to numerous petitions from residents of the City complaining of non-enumeration for one reason or other during the Nation Census and the disposal of these petitions also requires continuance of the present executive staff atleast for a period of another month. In the circumstances, I request that the sanction of Government may kindly be obtained for the continuance of the present executive staff sanctioned till the end of October, 1940. The extra expenditure ~~xxxxxx~~ involved in the proposal would be only Rs.2,375/- which I propose to meet by reducing the expenditure on the non-recurring side, which has been sanctioned. My proposal, therefore, would not involve any additional expenditure over the aggregate amount of Rs.41,820 sanctioned in connection with the Nation Census in the City.

A

I, therefore, request you to kindly obtain orders of Government for the continuance of the staff as early as possible.
